

# BARISTA T PLUS 2024

T Technology<sup>®</sup> inside by Ascaso.

Multi-group technology. Full PID control. It offers a great thermal stability with a high level of energy efficiency (low energy consumption) and clean and fresh water in each coffee.

**Multi-group (separate) technology with PID control** High professional-grade performance: Thermal stability guaranteed. High steam production.

**Clean coffee.** Minimal metal migration to the beverage through the use of stainless steel. Complies with European regulation EN 16889

**Freshly Delivered Water.** Avoiding the use of standing, constantly reheated water to make the coffee.

**Energy efficiency.** We deliver a 50% average saving compared with a traditional machine and 25% compared with other multiboiler machines.

**ascaso**  
BARCELONA

## MAIN FEATURES

**Multi Group technology** (on/off by group). Professional Thermodynamic Groups.

**Independent steam boiler.** Stainless steel Aisi 316. Extremely sturdy. Large capacity.

**External Pid control** (+ 0,1°C) each group and steam boiler.

**External timer** for each group.

**Digital Display in each group** Multiple functions. Total control.

**Thermal lagging** on steam boiler and groups.

**Thermal stability** (+- 0,5°C).

**Dynamic preheating** (coffee groups).

**Energy efficient** (- 50%).

**High performance volumetric pump.** Constant pressure even after a prolonged and simultaneous use of more groups.

**Powerful steamer** (10 mm anti-lime scale tube. Stainless Steel. Cool touch).

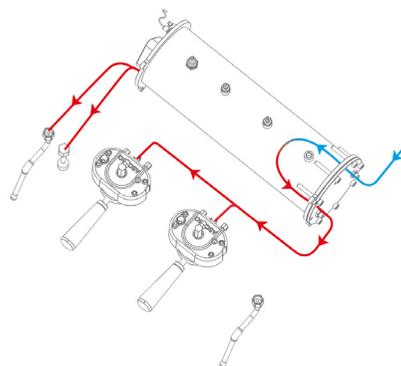

## NEW

**General display.**

**Inox rail custom.**

**Rear logo backlight.**

**Coffee groups, Steam boiler and tubes with insolation.**

### General display (touch screen).

High definition backlit capacitive display. 4.2" LCD screen. Allows total control of all the machine's parameters in an instant, quickly and intuitively.

The display gives real time feedback on all the operations the machine is performing at any given time.

## COLOURS

Black

White

Inox

## TECHNICAL DATA

	2GR	3GR
Dimensions (mm)	700/475/535	920/475/535
Boiler power (230 V)	3500W 50-60Hz	3500W 50-60Hz
Coffee groups power (W)	1000 x 2	1000 x 3
Weight (kg)	71	93
Boiler capacity (L)	8	8
Steam	2	2
Water	1	1
