

## STEEL PID PLUS

The STEEL range goes one step further and transcends the Home use. It is a semi-professional coffee machine for home, offices, and even the Hospitality channel.

The PID version offers a totally professional performance: Ø 58mm filter holder in stainless steel, externally adjustable OPV and an external PID display for temperature setting, adjustable pre-infusion, stand-by option... And exclusively in this PLUS version, it features a stainless steel steam tap, removable wire tray, joystick steam lever, silicone group gasket, and much more.

**Thermodynamic group** with PID control. **Thermal stability.** Quality in cup. Less limescale build-up. Stainless steel circuit reduces limescale build-up. Unlimited steam.

**Healthy 100%.** AISI 316 stainless steel water circuit. No metal migration in water. Complies with European standard EN 16889.

**Clean water.** Here it is constantly renewed and clean for every coffee. The taste and smell of the coffee are unaffected.
